

CGMA COVID-19 Programs

- **Autumn SEG-C– Up to \$500**

Provides for school supplies to support at home and virtual learning for students pre-k -12 grade

- **In-Person Tutoring Grants– Up to \$1000**

Beyond CGMA's online tutoring program, this unique support offers help to young students (pre-K through 8th grade) as Coast Guard families navigate virtual classrooms. 24/7 online tutoring through Tutor.com/military also remains available.

- **Additional \$6000 Lost Wages Loans:**

When unemployment benefits may be delayed or unavailable, this loan will make up to two months of salary available for spouse income losses.

- **Supplemental Special Needs Grant– Up to \$1000**

Support and services to care for special needs family members are often provided in person. Grant makes funding available for services or equipment that may be harder to acquire due to the pandemic.

- **Additional \$6000 Childcare Loans:**

Extension of an existing program to meet the unique and widespread demands for childcare (average of 4 months) amidst scheduling challenges as well as school and daycare closures.

- **Childcare Grants– Up to \$500**

Grant to off-set the increased demand and hurdles to securing childcare for dependents ages 0-12.

Qualifying purchases for grants must be made no later than 20 Nov 2020.
Applications due no later than 15 January 2021
